

Sporting Shooters Association of Australia (Qld.) Inc.

2026 Program 1st-January to 31st December

GENERAL:

Club monthly meetings are held on the Third Sunday in the month starting at 12:00am. (M) The AGM will be held on the 20th of September at 11:30am.

Shoot results & unforeseen changes to this schedule will be advertised via email & social media.

Website: ssaabowen.com, **Facebook:** SSSA Bowen Branch Inc Q33.

Nominated times listed for competition shoots allow for 30 minutes to sign in and help set up. Late commers may not be able to shoot, as it disrupts those that have made the effort to be on time. This is a Range Officers call.

Shoots marked TBA are to be decided by the Range Officer on the day.

WORKING BEE:

These will be conducted as per the dates listed. A work list will be issued with the relevant monthly catch up notice.

The working bee will be followed by a BBQ and refreshments. During the working bee the ranges will be closed.

To keep our annual range pass fees to a minimum, **All** members are requested to come along and assist in keeping on top of the many jobs that need to be done.

RANGE CONDITIONS:

As the range is used as a limited danger area (LDA), Ammunition used for centrefire and black powder is not to exceed a muzzle velocity of 4100 ft/sec (1250 mt/sec) and a muzzle energy for centrefire and black powder ammunition not to exceed 4182 foot pounds (5675 joules).

The maximum range that can be shot is 100m.

SHOOTS AVAILABLE on TBA's by arrangement. Please give a minimum of 48hrs notice by calling the club phone 0474891612 to arrange.
